25X1 SLCRLT -Comment. The Trost Kaserne quarters the 44th Gds Mecz Regt of the 15th Gds Mecz Div which is presumably located in the area of its 25X1 station. It is for the second time that 25-mm AA guns are morted from this installation . 25X1 Comment. The 45th Gds Mecz Regt of this division is apparently also still located in the area of its station. 25X1 Comment. The reinforcing of the guard at the Hegyeshalom railroad station tends to indicate that an increase in the number of easthound shipments which is possibly due to the evacuation of East Austria is expected. 25X1
